

PRESENTATION OF PERSSON: **AVIATION**

PERSSON
ADVOKATFIRMA

Attorney at Law Eva Persson is one of Europe's leading figures when it comes to air passenger rights under Regulation (EC) No 261/2004 of the European Parliament and of the Council of 11 February 2004 (The Flight Delay Regulation).

For more than 13 years, she has set the agenda in courtrooms across Europe and, as the leading expert in the field, conducted over 45,000 lawsuits, including approximately 2,500 in the High Courts and the Supreme Court.

Persson Law Firm's special department for aviation cases – **PERSSON:AVIATION** – handles large case portfolios for professional players, both Danish and foreign, who specialize in collecting flight compensation claims. For some companies, **PERSSON:AVIATION** only handles cases before the High Courts and the Supreme Court, while for others, **PERSSON:AVIATION** handles the entire legal department, including cases before the district courts.

Regardless of the needs, we would be happy to have an informal talk about a possible collaboration on larger or smaller portfolios of cases concerning flight compensation and/or ticket refunds.

A warm welcome to...
